Dear Friends,

Thank you for inquiring about the Arthur Morgan School!

AMS was founded in 1962 and is one of a few junior high boarding schools in the country. Our literature describes our philosophy and program, and will help you to get to know us better. We would like to share with you part of a letter from the parent of one of our students:

*Please be aware of the magic you perform in the lives of your students. No words are powerful enough to fully express the gratitude we feel for the wonderful year our daughter had in the seventh grade. The AMS philosophy is marvelous, but it is only a piece of paper until all of you make it come alive. I asked my daughter what attribute she would most like to bring to her next school and she said it is the friendships and respect she feels at AMS.*

We encourage you not only to read our literature, but also to visit while school is in session. It is certainly the best way to get to know us and find out if AMS is the right place for your child. We feel it is very important that your child wants to be here and is enthusiastic about participating in our program. Our admissions process includes an **on campus interview visit for two days and nights visit** in addition to the **parent application, student application, two reference forms and a \$50.00 application fee.**

We look forward to hearing from you soon.

Sincerely,

Bridget O'Hara  
Admissions Coordinator
